

HEY, JOBSEEKERS!

If you aren't sure what you want to do, but you're open to ideas, then we've got something for you.

If you believe that you're meant to do something you love – whether it's playing video games, tattoo art, or plumbing – then you're invited to our Non-Traditional Career Fair.

THURSDAY, APRIL 9, 2020 | 4-7 PM

MCC CAMPUS 5370 NORTH 30TH STREET

CAET BUILDING #24 – ROOM #101 INNOVATION CENTER

Who you'll meet:

Tattoo artists, video gamers, special effects artists, music artists, chefs, bakers, welders, electricians, plumbers, authors, and HVACs.

Why you should come:

Explore careers you haven't thought about, apply for a job, have fun, free food, and chances to win prizes. *Take your Opportunity Passport and/or Project Everlast Survey for an additional incentive.*

What you should bring:

Yourself, a positive attitude, and any questions for the professionals!

What we're doing:

The job fair is a community collaboration between youth serving organizations and the Rotary Club.
